Tel Aviv University

**Postdoctoral Fellowship in Neuroscience research
at the Tel-Aviv University, Sagol School of Neuroscience**

The Sagol School of Neuroscience at Tel-Aviv University is considering candidates for a Prestigious Postdoctoral Award for Neuroscience research 2022-2023.

Successful candidates will be awarded:

- One-year postdoctoral fellowships (year 2 is subject to approval): 150% post-doc level fellowship, 103,275 NIS per year (subject to exchange rates): 75% by the PI and 75% by Sagol School of Neuroscience.

Eligibility:

- Holding a PhD degree from a premier university, and obtaining the PhD no more than five years from the beginning of the fellowship, and according to Tel-Aviv Post-doctoral fellowship program <https://acad-sec.tau.ac.il/phd/Postdoc>
- A fellow shall not engage in other employment during the period of the fellowship (either in the University or otherwise), and shall dedicate all his/her time and efforts to the fellowship for its entire duration.
- It is not possible to do Postdoctoral program in the same laboratory where the doctoral dissertation was done.
- The applicant must be enrolled and be formally accepted to TAU as a Post-Doc prior to 31.12.2022.
- The PI agrees to complement the funding with an additional scholarship up to a minimum of 150%.
- Preference will be given to international applicants.

Candidates should provide:

- An updated CV, including a list of publications
- A one-page description of the proposed research, written in coordination with the potential lab
- Letter of agreement from a Principal Investigator to host post-doc and provide matching
- Three updated letters of recommendation including from one from the PhD supervisor (sent directly by the referee to yuliaagr@tauex.tau.ac.il)
- A certificate of eligibility for a PhD degree must be submitted with the date of eligibility or a certificate of submission of the doctoral dissertation.

All applications should be sent as one PDF file to: yuliaagr@tauex.tau.ac.il
